

The Pleasures Of Your Encantada Recreation Center

The Encantada Recreation Center was designed to be the focal point of the community, the hub of residents' activities and gatherings. Designed in harmony with the homes, the architecture of the Recreation Center Clubhouse is classic, yet modern, with a tropical Mediterranean feel.

Inside the Clubhouse, the mood is casual yet elegant. The covered entry opens onto a breezeway, and through to the expansive, 1,200 sq. ft. open-air covered terrace, overlooking the resort-style, free-form pool and landscaped deck, covered gazebo, and the shimmering lake beyond. Additionally, there is an ample exercise room with the latest in equipment, a multi-purpose room with a fully equipped kitchen for private parties and community gatherings, and an office for the Encantada Director of Activities.

The Clubhouse's exterior area offers an expansive free-form pool in which to cool off or work out the day's stress, and a kiddie pool in which to teach the little ones their first strokes. Dotted by grand palms and luxuriously landscaped to create an island resort-like feel, the pool's vast deck area extends out onto the lake, where the water views of the pools and lake seemingly overlap.

Adjacent to the Clubhouse, there are additional areas dedicated to the pursuits of pleasure and contributing to Encantada's superb family environment. There are two tennis courts. A basketball court. A sand volleyball court. Plus a tot lot and open green areas in which to relax by the lake, read a book, or romp with the kids or the dog. Encantada's on-site Director of Activities is here to coordinate intra-community games and teams, and establish tennis, basketball, and exercise programs for you and your family's enjoyment and healthful participation, as well as reserve times for private play. Conveniently nearby, the community's bus shelter, designed in keeping with the Mediterranean architecture prevalent in the neighborhood, provides your kids protection from the elements while they're waiting for transportation to and from school.

When home is Encantada, you or your kids will never be at a loss for something to do. There's always some activity going on, a variety of sports to enjoy, good times to be had, and friendly people with which to share them, without ever having to leave home to find them. It's all right at home, when home is Encantada.
