Artist's concept. All dimensions are approximate. Plans are subject to architectural and other revisions without notice, as the developer, builder, or architect, or as the same may be required by law. All features are subject to change.

THIS VERY POPULAR PLAN PUTS THE MASTER SUITE IN ITS OWN WING ON THE FIRST FLOOR ALONG WITH A LIBRARY AT THE FRONT OF THE HOME. THE BEAUTIFUL LIVING ROOM IN THE CENTER SEPARATES THIS WING FROM THE ACTIVE DAYTIME SIDE, WITH ITS EXPANSIVE FAMILY ROOM AND BREAKFAST AREA. THE CABANA BATH MAKES A HANDY ADDITION TO MOST FAMILIES' LIFESTYLES UPSTAIRS. WALK-IN CLOSETS ARE FEATURED IN THREE OF THE FOUR BEDROOMS!
