EMINENTLY PRACTICAL. THIS HOME IS PERFECT FOR THOSE WHO LIKE TO COME HOME WITH GROCERIES OR PACKAGES. ENTER THROUGH THE GARAGE AND DROP EVERYTHING IN THE KITCHEN. THE EXTRA-LARGE FAMILY ROOM AND BAY WINDOW BREAKFAST AREA ARE WELL SEPARATED FROM THE FORMAL LIVING ROOM WHICH GREET VISITORS WHO USE THE MAIN ENTRY. THE ELEGANT MASTER SUITE OCCUPIES ITS OWN QUIET WING ON THE GROUND FLOOR OFF THE LIVING ROOM.

Artist's concept. All dimensions are approximate. Plans are subject to architectural and other revisions without notice, as the developer, builder, or architect, or as the same may be required by law. All features are subject to change without notice.
